

### **Edition #3 - The Online edition**

*Online / since 1th of June 2021 - ongoing*

The online edition came into existence as covid-19 restrictions made it too difficult to meet a second time in the second year of Other People, common ground. Though this Edition continues in the remaining 18 years of work of Other People, common ground. Edition #3 - The Online Edition takes place mainly in the chat, which is an online document in google drive, where we chat only in simultaneity at a time agreed upon in advance. The main activity for this edition consists of exchanging concerns through written text and serves to keep each other up to date in the periods between two editions.
